DID YOU KNOW?

- Free hard waste drop-off or collection services are available for residents of Salisbury, Playford and Gawler councils.
- Free trailer hire is available for residents of Salisbury, Playford and Gawler councils to use in conjunction with a hard waste drop-off service.
- Residents can request a range of services including bin repairs online via NAWMA's website.
- In 2025, NAWMA opened a Fibre Polishing Plant (FPP) supported by Federal and State Governments. The addition of the FPP to NAWMA's MRF operations will ensure that paper and cardboard are recycled to their highest potential.
- NAWMA offers residents, and people working with residents, from its constituent councils, free tours of its Material Recovery Facility and Circular Economy Education Centre.
- A 100kW solar system is installed on the roof of the Material Recovery Facility in Edinburgh.
- After receiving Green Industries SA grant funding, NAWMA introduced a paper and plastics detecting robot and a Glass Fines Recovery Plant into its Material Recovery Facility to increase recovery of recyclables.
- A wide variety of items that can't be recycled via the yellow-lid recycling bin can be recycled at NAWMA's two Resource Recovery Centres, for example: liquid paint, x-rays, rigid polystyrene (Edinburgh North RRC only), used cooking oil and electronic waste.
- NAWMA's Edinburgh North Resource Recovery Centre hosts a Community Chemical & Paint Drop-off facility where residents can dispose of hazardous household items for free, seven days a week.
- NAWMA's Uleybury Balefill and Renewable Energy Park won the Landfill Excellence category of the 2019 Australian Landfill and Transfer Stations Awards.
- Food waste is accepted in the green-lid Food Organics and Garden Organics bin (FOGO), which is then composted along with garden waste.
- NAWMA's two Resource Recovery Centres are open every day of the year with the exception of New Year's Day, Good Friday, ANZAC Day and Christmas Day.
